

FACILITY MAINTENANCE TECHNICIAN

Location: Sydney

Work Type: Permanent Full Time

About us:

SpeedX Pty Ltd is a dynamic, rapidly growing company with a strong portfolio of technology at the cutting edge of molecular diagnostics. With our headquarters in Sydney, our technology supports clinical diagnostic products for infectious diseases with a range of products in the market and a pipeline of research and *in vitro* diagnostic assays. Our well-equipped offices and laboratories are centrally located at the Australian Technology Park in Eveleigh (Sydney) and are easily accessible by rail.

At SpeedX we believe our employees are pivotal to our success and reputation, therefore we strive to offer true work/life balance with opportunity for further training and structured career development. Make no mistake, we expect a lot from our people as they do of us. So, if you can rise to the challenge, we will provide you with a dynamic and rewarding career.

About the Role:

We have an exciting opportunity for a Facilities Maintenance Technician to join our Facilities Team, in a full-time permanent capacity to support and contribute to development and optimisation of SpeedX.

Key responsibilities include but not limited to:

- Repair, maintain/monitor facility related equipment and amenities.
- Take measurements of HVAC performance as required.
- Conduct HVAC related pre filters cleaning, & freezers maintenance.
- Maintain signage related to the facility and its equipment.
- Change light bulbs, interior and at the workstation.
- Address Elec-leads and cable management as well as safety issues as they occur.
- Accompany and assist contractors, technicians & tradesman on site, when required.
- Remove and properly dispose of all recyclable materials, daily or as required
- Performs other work related duties as assigned.
- Must be able to work flexible hours

Minimum Experience and Skills

- 5-10 years of working experience in facilities maintenance.
- Basic understanding of electrical, plumbing, and carpentry
- Experience with hand and Elec-tools.
- Ability to work with minimal supervision.
- Must demonstrate strong communication and interpersonal skills; customer service oriented.
- Must be organized, detail oriented, self-motivated, and able to multitask

To be considered for this role, please address your suitability by indicating if you have previous experience in a similar position and if you have full rights to work in Australia

If you believe you fulfill the criteria, please email your CV and accompanying cover letter and include in the subject the job title: FACILITY MAINTENANCE TECHNICIAN to: hr@speedx.com.au

Applications must be received by 30 June 2021.
